## Where Customer Service and Quality Come First

### APEX will help you develop a technology plan using the following:

**DATA / VOICE / AV / CCTV SYSTEMS / ACCESS CONTROL / GATE ENTRY SYSTEMS / WIRELESS VOICE, DATA AND VIDEO AND FIBER OPTICS / OUTSIDE PLANT / SOLAR powered Security and wireless systems. Maintenance and Service Contracts also available.**

We design infrastructures that allow you to grow with ease and stability. Our management staff has over 65 years in the industry and have been providing outstanding and reliable technology services to our valuable clients.

**Our goal** is to predict changing needs and prepare for them before a problem arises. We can assist you in securing your Data provide support and monitoring for your network. Let us help you design and implement an IT strategy for your business that will give you a competitive advantage.

**APEX** has developed strategic alliances with key Partners and Manufacturers in order to provide true TURN-KEY services to our customers. All of our partners are licensed and insured and we feel they are the best in the industry today. Apex's management team will over see all work, you no longer need to deal with multiple contractors. This will save you, TIME and MONEY. **(See Partners Services for a list of services they provide. All other services are provided by Apex in house technicians.)**

**APEX** is certified by most manufacturers and can offer 15, 25 year and Lifetime warranties. All work conforms to industry standards EIA/TIA, NEC, NEPA, NSC, ANSI and all State and Local codes.

**GO GREEN** with Apex, we now sell Remanufactured Printer cartridges at a fraction of the cost of new cartridges.
